

Weekly Challenges

Weekly Solutions

The diagram is divided into two main sections by a vertical line: "Weekly Challenges" on the left and "Weekly Solutions" on the right. Each section contains three vertical black bars, one for each day of the week. Each bar is composed of several horizontal grey lines, representing the content of the challenge or solution. Below each bar is a blue-outlined rectangular box, likely for a date or a brief note. On the far left and far right of the diagram are vertical bars with a color gradient: red at the top, yellow in the middle, and green at the bottom. At the bottom of the diagram, there is a legend: a blue 'X' symbol followed by the text "= Start of the Week", and an orange circle symbol followed by the text "= End of the Week".
